

Cocktails

The image features three cocktails on a dark, wet wooden surface. In the foreground, a martini glass is filled with a vibrant blue liquid, garnished with a red cherry and a green herb. Behind it to the left is a glass filled with an orange-colored drink, topped with several slices of orange. To the right is another glass containing a pinkish drink, garnished with lime slices and a green herb. The background is dark, making the colorful drinks stand out.
